

UNICITY Bios Life Slim

Most people know that fiber supports digestive health. But in addition to aiding digestion, fiber can also help lessen the impact that excess carbohydrates and cholesterol can have on the body. Soluble fibers, in particular, help support important bodily functions—soluble fibers help maintain healthy cholesterol and blood sugar levels. However, the prevalence of processed foods and modern farming techniques has led to higher levels of sugar and lower levels of fiber in the foods we eat.

Unicity Bios Life Slim is a pre-meal drink with a patented fiber matrix that includes bioactive plant compounds, polysaccharides, and micronutrients. The fiber matrix is designed to help ease some of the impact that excess carbohydrates and cholesterol can have on the body. Unicity Bios Life Slim is formulated to provide critical vitamins, minerals, and soluble fibers to help curb your appetite.

Unicity Bios Life Slim: The smart solution to balanced nutrition.

UNICITY

*Note: Maintaining a healthy diet and exercise regimen and getting plenty of sleep will help support a healthy immune system.

Ingredients

Biosphere Fiber [Thickener {Guar gum (INS 412), Gum arabic (INS 414)}], Carob bean gum, Diluent (Maltodextrin), Citrus Pectin, *Avena sativa* (Oat fiber), Beta glucan, Unicity 7x (Hydroxypropyl methyl cellulose, Natural and Artificial flavors, Acidity regulator {Citric acid (INS 330)}, Calcium carbonate), **Bios Cardio Matrix** (Plant sterol (Sunflower), Cinnamon *verum* extract, Policosanol), **Bios Vitamin Complex** (Calcium carbonate, L-ascorbic acid, Nicotinamide, D- alpha tocopheryl acetate, Zinc gluconate, Pyridoxine hydrochloride, Riboflavin, Thiamine hydrochloride, Beta- Carotene, n-pteroyl-L-glutamic acid, D-biotin, Chromium chloride hexahydrate, Cyanocobalamin), Orange juice powder, Sweetener {Sucralose (INS 955)}.

Unicity 7X

A proprietary blend of polysaccharides that helps to curb hunger and provides a sense of fullness. This helps to reduce caloric intake and subsequently leads to inch loss.

Biocardio Matrix

Plant sterols in this assist to block the absorption of bad cholesterol from food. Policosanol found in the matrix reduces cholesterol production by the liver. Cinnamon *verum* extract, the third element in this, enhances the enzymatic breakdown and helps remove LDL (bad cholesterol) from the body.

Biosphere Fiber

A patented blend of five highly soluble fibers combined with mineral carbonate, which quickly forms a fiber matrix in the digestive tract that helps generate a sense of fullness. It traps cholesterol and prevents its reabsorption, and aids in inch loss. The fiber in this helps to block the reabsorption of cholesterol from the intestine.

Vitamin B-Complex

It is required by the body to facilitate energy production. B-Vitamins have also been found to reduce homocysteine, an independent risk factor for cardiovascular diseases.

UNICITY **Bios Life Slim** FAQs

How does Unicity Bios Life Slim work?

Unicity Bios Life Slim includes viscous soluble fiber. Viscous soluble fiber forms a thick gel when combined with water and as it moves through the digestive tract. The gel-like substance helps slow the emptying of your stomach, which results in prolonged satiety.

Why are there vitamins and minerals in Unicity Bios Life Slim?

The vitamins and minerals in Unicity Bios Life Slim help support proper digestion and help the body's enzymes work efficiently.

Can I take Unicity Bios Life Slim at other times of the day or before having a snack?

Yes. Many people who use Unicity Bios Life Slim find that they consume fewer snacks between meals, and if they indulge, they feel better afterward.

Who can take Unicity Bios Life Slim?

We recommend Unicity Bios Life Slim for adults who want to maintain good health. Pregnant and nursing women should consult their physician before taking Unicity Bios Life Slim. As with any nutritional supplement, if you have any questions, consult your healthcare provider prior to use.

Can I drink Unicity Bios Life Slim with other Unicity fiber products?

Each person's dietary fiber tolerance is different. When adding new sources of fiber to your diet, take it slow to avoid gastrointestinal discomfort.

Can I still take Unicity Bios Life Slim if I forgot to take it before a meal? Should I skip it if I already ate?

It is always best to have Unicity Bios Life Slim before a meal, but it would be better to take it late rather than not at all. It will still have some effect on the food that was eaten.

Can I take this product with less than the recommended amount of water?

Taking this product without the recommended amount of liquid may cause choking. Do not use this product if you have difficulty swallowing.

NOTE: This product contains natural ingredients; therefore, color may vary, and some ingredients may not dissolve as rapidly as others.
